CodeClub activity checklist 13/07/2015

Preparation
1. Take your laptop
2. Log in
3. Check the battery. If remaining time is lower than 1 hour, change laptop.
4. Start Scratch (go to Computer->Student Share folder->Code Club and double click on the link to Scratch website)

Creativity
1. Choose a past Scratch project (if you were absent, you might want to choose to work on the corresponding project)
2. Choose a feature or challenge you have not developed yet:
    a. **Lost in Space:** Bouncing asteroids and shining star
    b. **Rock Band**
    c. **Balloons game:** Good and bad objects challenge
    d. **ChatBot**
    e. **Paint:** Stamps and Rainbow pencil
    f. **Boat/Car racing game:** Obstacles and power-ups
3. Have fun ☺
